BURKOOOL

TECNOLOGIA EN ESTANQUEIDAD

EL DOMINIO DE LA ESTANQUEIDAD

Burkool diseña piezas de alta tecnología aplicada e ingeniería avanzada, para un producto terminado de excelente calidad y considerado por sus colegas de última generación.

Su perfecto dominio sobre la estanqueidad le permite disponer de una amplia gama de productos, destinados a diversos mercados exigentes (industria alimenticia, construcción, automotriz, electromecánica, naviera, hidráulica, frigorífica, y todo campo donde se requiera una ingeniería en polímetros destinados a la hermeticidad).

SOLUCIONES INNOVADORAS

Un factor muy importante para **Burkool** es la gente que lo compone. A través de un gran equipo de trabajo guiado por ideas innovadoras, se encarga de desarrollar soluciones en estanqueidad que actualmente los distintos mercados demandan.

The logo for BURKOOOL is rendered in a bold, orange, sans-serif typeface. The letters are thick and blocky, with a modern, industrial feel. The 'B' and 'K' are particularly prominent due to their heavy strokes. The overall design is clean and professional, set against a dark background with subtle orange and grey decorative elements.
